## Ensuring Safe Travels: Gov't Agencies Inspect PITX for Holy Week Exodus

During the Lenten season, ensuring the safety and convenience of travelers becomes a top priority for government agencies across the nation.

Among the key transport hubs is the Parañaque Integrated Terminal Exchange (PITX), a vital gateway for commuters traveling to various destinations.

To facilitate a smooth and secure Holy Week exodus, multiple government bodies, including the Department of Transportation (DOTr), Department of Interior and Local Government (DILG), Land Transportation Franchising and Regulatory Board (LTFRB), and the Philippine National Police (PNP), have launched comprehensive inspections at PITX.

These inspections aim to assess the terminal's readiness to accommodate the surge in passengers expected during this period.

With the anticipated increase in passenger volume, it is crucial for PITX to maintain operational efficiency. Inspectors are evaluating the terminal's readiness to handle the influx of travelers by assessing roadworthiness of public utility vehicles, transport workers' wellbeing, ticketing systems, queue management, and overall terminal cleanliness.

## >> Ensuring Safe Travels: Gov't Agencies Inspect PITX for Holy Week Exodus

The safety and security of passengers remain a top priority. Government agencies are reviewing PITX's security protocols, including the deployment of PNP personnel to deter criminal activities and ensure the safety of commuters and their belongings.

By conducting these thorough inspections, government agencies aim to instill confidence among travelers and provide them with a seamless and safe journey during the Holy Week exodus.

Additionally, these efforts underscore PITX's commitment to upholding the highest standards of service and security in public transportation.

## Delivering Hope: Medical Mission Impacts 344 Lives

In a collaborative effort between PITX, UNTV, MCGI Cares, and Manibela, a recent medical mission brought rays of hope and healing to 344 recipients.

The event, held at PITX on March 1, saw a convergence of medical professionals, volunteers, and beneficiaries, all united in the mission of providing healthcare access to transport workers, passengers, tenants, and employees.

From general check-ups to specialized treatments, the medical team offered a wide range of services, ensuring that each recipient received personalized care. Dental consultations, vision screenings, and basic medical exams were just some of the services provided, addressing both immediate concerns and long-term health needs.

But the impact of the mission extended beyond just medical treatment. It was a testament to the power of collaboration and community spirit. Volunteers worked tirelessly to ensure smooth operations, while recipients expressed gratitude not only for the healthcare services but also for the sense of care and compassion they felt throughout the event.

As the sun set on the day, it left behind a legacy of healing and hope. The success of the medical mission serves as a reminder that when organizations and individuals come together, they can make a profound difference in the lives of others.

# Philippine Coast Guard Offers Free Rides for Women's Month Celebration at PITX

In celebration of Women's Month this March, the Philippine Coast Guard (PCG) provided free rides for women every Wednesday at the Parañaque Integrated Terminal Exchange (PITX) during March 6, 13, and 20, Gate 10 Bay 5, this free plied from PITX to MOA, and Araneta, Cubao.

As part of its commitment to gender equality and women's empowerment, the PCG is extending its services to offer complimentary transportation to all women passengers traveling through PITX. This initiative aims to recognize the invaluable contributions of women to society and to promote their active participation in various sectors, including transportation.

The PCG and PITX encourages women from all walks of life to take advantage of this opportunity to travel safely and conveniently. By providing free transportation, the PCG and PITX hopes to contribute to the celebration of Women's Month and to demonstrate its unwavering support for gender equality and women's rights.

## Office Towers

Introducing Our New Tenants:

### DENR EMB CALABARZON

Department of Environment and Natural Resources, the Environmental Management Bureau - CALABARZON Region, brings their office to the terminal to offer ease and convenience to their clients specifically for permits and licenses. They are located at Tower 2, 4th Floor.

### DENR MIMAROPA

The Department of Environment and Natural Resources - MIMAROPA Region joins us with their commitment to environmental protection and sustainable development. DENR aims to serve its clients with accessibility through establishing their Regional Office at the landport. They are located at Tower 2, 6th and 8th Floor.

### TB PEOPLE

Advocates for tuberculosis awareness and prevention, TB People, joins us in our mission to promote public health and well-being. We are proud to support their efforts in combating this disease and improving the lives of those affected by it.

### UTOL

With a focus on urban transportation and logistics, UTOL brings innovative solutions to optimize mobility and connectivity. Their presence aligns perfectly with our commitment to facilitating efficient transportation systems within the PITX complex and beyond.

## **PITX Conducts Successful Fire and Evacuation Drill in Collaboration with the Bureau of Fire Protection**

Ensuring the safety and security of our passengers and staff is a top priority at the Parañaque Integrated Terminal Exchange (PITX).

In line with this commitment, the landport recently conducted a comprehensive fire and evacuation drill in partnership with the Bureau of Fire Protection (BFP). The drill, held on March 13, aimed to assess and enhance our emergency preparedness and response procedures. It simulated various emergency scenarios to evaluate the effectiveness of our evacuation routes, emergency communication systems, and coordination with emergency responders.

We are pleased to announce that the drill was a resounding success. Participants demonstrated a high level of readiness and professionalism throughout the exercise, highlighting our collective dedication to safety and preparedness.
